

## Blue Cross Blue Shield of Massachusetts Providers Offering Lactation Services

We're here to help you find the right lactation services provider. Use this list to find a BCBSMA participating lactation counselor. Additional BCBSMA providers may offer Lactation Counseling services, but they have not notified us. Please refer to our online provider directory to verify whether these or other providers participate with your BCBSMA plan. Please check your benefit documents to see if your plan covers lactation counseling services.

We also cover lactation counseling performed by an International Board Certified Lactation Consultant (IBCLC)\*. You may visit <https://uslca.org/resources/find-an-ibclc/> to search for certified lactation counselor in your area. If you have any questions, call Member Services at the number on the front of your ID card.
