Introduction

This booklet provides a list of our plan's network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Medicare HMO Blue SaverRx (HMO), Medicare HMO Blue ValueRx (HMO), Medicare HMO Blue FlexRx (HMO-POS), Medicare HMO Blue PlusRx (HMO), Medicare PPO Blue SaverRx (PPO), Medicare PPO Blue ValueRx (PPO), and Medicare PPO Blue PlusRx (PPO) formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plans only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at out-of-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of August 2021. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with ‡ to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us, or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside Barnstable, Bristol, Essex, Franklin, Hampden, Hampshire, Middlesex, Norfolk, Plymouth, Suffolk, and Worcester counties in which you live. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies Outside Barnstable, Bristol, Essex, Franklin, Hampden, Hampshire, Middlesex, Norfolk, Plymouth, Suffolk, and Worcester Counties, or contact Member Service at **1-800-200-4255** or, for TTY users, **711**.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

How do I find a network pharmacy in my area?

In this directory, you will be able to find information about our network pharmacies. Our pharmacies are listed according to city/town so you can locate a pharmacy close to your home. Chain pharmacies are listed once, but you can call a chain pharmacy at their toll-free number to find a location near you. Or you can visit our website at bluecrossma.com/medicare, or call Member Service at **1-800-200-4255**, 8:00 a.m. to 8:00 p.m. ET, seven days a week from October 1 through March 31, and Monday through Friday from April 1 through September 30. TTY users should call **(711)**.

To identify preferred cost-sharing pharmacies, please see the preferred pharmacies that are marked with ‡ within each section. A legend with symbol meaning is located at the bottom of each page.

You can get prescription drugs shipped to your home through our network mail order delivery program.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact us 21 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact us by calling Express Scripts Customer Service at **1-800-820-9729**, seven days a week, 24 hours a day (TTY: **1-800-716-3231**).

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us by calling Express Scripts Customer Service at **1-800-820-9729**, seven days a week, 24 hours a day (TTY: **1-800-716-3231**).
