# INTRODUCTION

**This booklet provides a list of our plan’s network of in-home support care that accepts the Flex Card. To get a complete description of your in-home care coverage, review the Evidence of Coverage and visit [MAFlexCard.com](https://MAFlexCard.com).**

All in-home support caregivers may not be listed in this directory. Some may have been added or removed from the list after this directory was printed. This means the in-home support caregivers listed here may no longer be in our network, or there may be newer in-home support caregivers in our network that aren’t listed. This list is current as of October 2024. For the most current list, visit [MAFlexCard.com](https://MAFlexCard.com).

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.
