VISION AND HEARING BENEFITS

If you have a direct-billed Medex plan, take a look at these benefits. They'll help cover your vision and hearing expenses, while limiting your out-of-pocket costs.

COMPLETE YOUR COVERAGE

Glasses and hearing aids aren't covered by Medicare. That's why our Medex[®] Vision and Hearing benefit plan offers the coverage you're missing. Plus, from January 1, 2024 to December 31, 2024, it's just \$2.47 per month. This amount will be added to your direct-billed Medex premium. With the Medex Vision and Hearing plan, you'll get the following benefits:

VISION CARE BENEFITS

- **Routine vision exams:** Covers one routine vision exam per calendar year to determine if you need corrective lenses. You pay nothing when seen by an EyeMed[™] network provider.
- **Eyeglasses or contact lenses:** Covers up to \$150¹ per calendar year for one set of frames and prescription lenses or contact lenses (in place of eyeglasses), from any licensed vision care supplier. If you choose to purchase eyeglasses or contact lenses from an EyeMed supplier, you may be eligible to receive additional discounts from the supplier for your vision supplies. This \$150 benefit payment includes costs for measurement, fitting, and adjustments.

What if the licensed vision care provider isn't an EyeMed provider?

When your exam is furnished by a provider that isn't an EyeMed provider, the provider may ask you to pay all charges. In this case, you'll have to send a claim to EyeMed for repayment of up to \$50 for a covered exam.

What if the vision care supplier isn't an EyeMed supplier?

When you purchase eyeglasses or contact lenses from a supplier that isn't an EyeMed supplier, the supplier may ask you to pay all charges. If this happens, you'll have to send a claim to EyeMed for repayment of up to \$150 for covered eyeglasses or contact lenses. Complete the claim form and send it with your original itemized bill(s). If you need a claim form call EyeMed Member Service at 1-866-525-5126.

HEARING CARE BENEFITS

- **Routine hearing exams:** Covers one routine hearing exam per calendar year, when the exam is furnished by a TruHearing[™] network provider. You pay nothing when seen by a TruHearing network provider.
- **Hearing aids:** Coverage for one hearing aid per hearing-impaired ear per calendar year, when furnished by a TruHearing supplier. You pay \$699 or \$999 for each covered TruHearing hearing aid.²
