Who can join?

To join Medicare HMO Blue SaverRx (HMO), Medicare HMO Blue ValueRx (HMO), Medicare HMO Blue FlexRx (HMO-POS) and Medicare HMO Blue PlusRx (HMO), you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. You must continue to pay your Medicare Part B premium.

Our service area includes the following counties in Massachusetts: Barnstable, Bristol, Essex, Franklin, Hampden, Hampshire, Middlesex, Norfolk, Plymouth, Suffolk, and Worcester.

Which doctors, hospitals, and pharmacies can I use?

Medicare HMO Blue SaverRx (HMO), Medicare HMO Blue ValueRx (HMO), and Medicare HMO Blue PlusRx (HMO) have a network of doctors, hospitals, pharmacies, and other providers. You must receive your care from a network provider. In most cases, care you receive from an out-of-network provider (a provider who is not part of our plan's network) will not be covered.

Medicare HMO Blue FlexRx (HMO-POS) has a network of doctors, hospitals, pharmacies, and other providers. For some services you can use providers that are not in our network.

As a member of our Medicare HMO Blue plans, you must choose a network Primary Care Physician (PCP). Your PCP will provide most of your care and will coordinate or help you arrange the rest of the covered services you get as a member of our plan. In most situations, your network PCP must give you approval in advance before you can use other providers in the plan's network, such as specialists, hospitals, skilled nursing facilities, or home health care agencies. This is called giving you a "referral." Referrals from your PCP are not required for emergency care or urgently needed services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.

You can see our plan's provider directory at our website (bluecrossma.com/findadoctor).

You can see our plan's pharmacy directory at our website (bluecrossma.com/medicare-options).

Or, call us and we will send you a copy of the provider and pharmacy directories. The pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers and more.

- Our plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- Our plan members also get more than what is covered by Original Medicare.
 Some of the extra benefits are outlined in this booklet.
- Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, bluecrossma.com/medicare-options.
- Or, call us and we will send you a copy of the formulary. The formulary may change at any time. You will receive notice when necessary.

How will I determine my drug costs?

Our plans group each medication into one of five or six "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur after you meet your deductible: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

Coverage Gap	Most Medicare drug plans have a coverage gap (also called the "donut hole"). This means that there's a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,130. After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs.											

After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs and 25% of the plan's cost for covered generic drugs until your costs total \$6,550, which is the end of the coverage gap. Not everyone will enter the coverage gap.

Catastrophic Coverage

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$6,550, you pay the greater of:

- 5% of the cost, or
- \$3.70 copay for generic (including brand drugs treated as generic) and a \$9.20 copayment for all other drugs.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative.

Understanding the Benefits					
	Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit bluecrossma.com/medicare or call 1-800-678-2265 (TTY: 711) April 1 through September 30, 8:00 a.m. to 8:00 p.m. ET, Monday through Friday. October 1 through March 31, 8:00 a.m. to 8:00 p.m. ET, seven days a week.				
	Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.				
	Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.				
Understanding Important Rules					
	In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.				
	Benefits, premiums and/or copayments/co-insurance may change on January 1, 2022				
	For our HMO Plans: Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).				
	Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
