Who can join?

To join Medicare PPO Blue SaverRx (PPO), Medicare PPO Blue ValueRx (PPO), or Medicare PPO Blue PlusRx (PPO), you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. You must continue to pay your Medicare Part B premium.

Our service area includes the following counties in Massachusetts: Barnstable, Bristol, Essex, Franklin, Hampden, Hampshire, Middlesex, Norfolk, Plymouth, Suffolk, and Worcester.

Which doctors, hospitals, and pharmacies can I use?

Medicare PPO Blue SaverRx (PPO), Medicare PPO Blue ValueRx (PPO), and Medicare PPO Blue PlusRx (PPO) have a network of doctors, hospitals, pharmacies, and other providers. If you use the providers in our network, you may pay less for your covered services. But if you want to, you can also use providers that are not in our network.

Depending on your plan, you may pay more if you use providers that are not in our network. Out-of-network/non-contracted providers are under no obligation to treat Medicare PPO Blue SaverRx (PPO), Medicare PPO Blue ValueRx (PPO) and Medicare PPO Blue PlusRx (PPO) members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Member Service number or see your Evidence of Coverage for more information, including the cost sharing that applies to out-of-network services.

- You must generally use network pharmacies to fill your prescriptions for covered Part D drugs.
- You can see our plan’s provider directory at our website (bluecrossma.com/medicare-options).
- You can see our plan’s pharmacy directory at our website (bluecrossma.com/pharmacyfinder).
- Or, call us and we will send you a copy of the provider and pharmacy directories. The pharmacy network, and/or provider network may change at any time. You will receive notice when necessary.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and more.

- Our plan members get all of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.

- Our plan members also get more than what is covered by Original Medicare. Some of the extra benefits are outlined in this booklet.
- Plans may offer supplemental benefits in addition to Part C benefits and Part D benefits.

We cover Part D drugs. In addition, we cover Part B drugs such as chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, bluecrossma.com/medicare-options.
- Or, call us and we will send you a copy of the formulary. The formulary may change at any time. You will receive notice when necessary.

How will I determine my drug costs?

Our plans group each medication into one of five or six “tiers.” You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug’s tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur after you meet your deductible: Initial Coverage, Coverage Gap, and Catastrophic Coverage.

	If you reside in a long-term care facility, you pay the same as at a retail pharmacy. You may get drugs from an out-of-network pharmacy, but may pay more than you pay at an in-network pharmacy.

Coverage Gap	<p>Most Medicare drug plans have a coverage gap (also called the “donut hole”). This means that there’s a temporary change in what you will pay for your drugs. The coverage gap begins after the total yearly drug cost (including what our plan has paid and what you have paid) reaches \$4,130.</p> <p>After you enter the coverage gap, you pay 25% of the plan’s cost for covered brand name drugs and 25% of the plan’s cost for covered generic drugs until your costs total \$6,550, which is the end of the coverage gap. Not everyone will enter the coverage gap.</p>		
Catastrophic Coverage	<p>After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach \$6,550, you pay the greater of:</p> <p>5% of the cost, or</p> <p>\$3.70 copay for generic (including brand drugs treated as generic) and a \$9.20 copayment for all other drugs.</p>		

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative.

<input type="checkbox"/>	Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
<input type="checkbox"/>	Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
Understanding Important Rules	
<input type="checkbox"/>	In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
<input type="checkbox"/>	Benefits, premiums and/or copayments/co-insurance may change on January 1, 2022
<input type="checkbox"/>	Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situations, non-contracted providers may deny care. In addition, you will pay a higher co-pay for services received by non-contracted providers.
