

# HOW TO FIND AN IN-NETWORK DENTIST

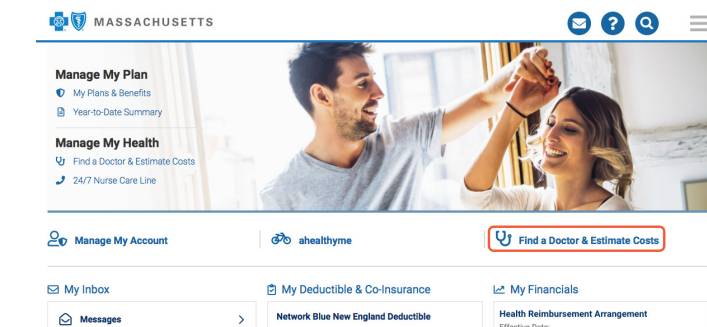

With any of our Dental Blue® plans, you're covered for care across a large network of dentists, making it easy to get the care you need wherever you are. To find an in-network dentist, use our **Find a Doctor & Estimate Costs** tool by following the steps below:

1

Create an account or sign in to MyBlue at [bluecrossma.com/myblue](https://bluecrossma.com/myblue).<sup>1</sup>

**Note:** Although we recommend it, you don't need to sign in to MyBlue to use **Find a Doctor & Estimate Costs**. To search for dentists without signing in, select **Find a Doctor & Estimate Costs** on the MyBlue home page and skip to step 3 below.

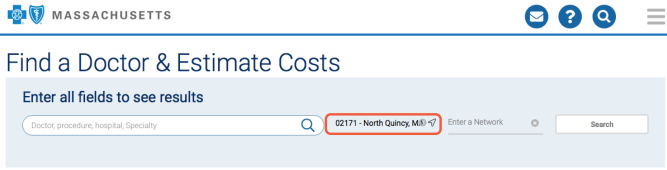

2

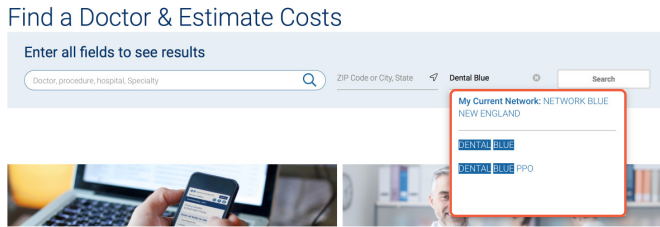

Go to the **Find a Doctor & Estimate Costs**<sup>2</sup> tool on the MyBlue home page.

## Questions?

If you have any questions, please call Member Service at the number on the front of your ID card.

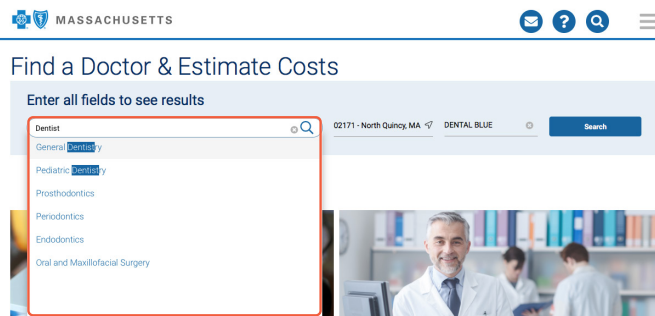

**3** Update your location by entering the ZIP code, city, or town you'd like to search.

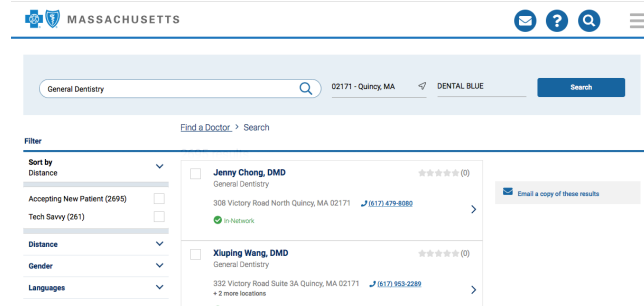

**4** Enter your plan's network: either Dental Blue or Dental Blue PPO.<sup>3</sup> If you're not sure, use this table to see which network to select:

Plan Name	Network Coverage	
	Dental Blue	Dental Blue PPO
Dental Blue*	●	
Dental Blue* PPO		●
Dental Blue* Select		●
Dental Blue* Freedom	●	●

**5** Search for the type of dental care you want. **Tip:** Start by typing **dentist** into the search bar, then select the specialty from the drop-down menu.

**6** Select a dentist. **Note:** You can also filter your search results using the menu on the left-hand side.

1. Because you're not required to sign in to MyBlue, you can use **Find a Doctor & Estimate Costs** to view in-network dentists prior to your plan's start date.
2. Cost estimates aren't available for Dental Blue plans.
3. If you have Dental Blue Freedom, choosing Dental Blue PPO will give you the most coverage.
