ACCEPTABLE TAX DOCUMENTATION AND PROOF OF BUSINESS

Below is a list of the necessary documents required by Underwriting to set up a small business account. If the required tax forms and proof of business documentation haven't been supplied, don't proceed with the account setup.

If a business has more than two partners, which causes less than 50 percent ownership, the partners applying for coverage must supply a signed document stating that they work at least 30 hours weekly to be eligible.

To be eligible, your business must be headquartered in Massachusetts. You must also meet Underwriting guidelines, including active engagement and participation requirements. Blue Cross generally considers an actively engaged business as generating a minimum of \$10,000 revenue annually through standard business operations.
