# LACTATION COUNSELING SERVICES

We're here to help you find the right lactation services provider. Use this list to find a Blue Cross participating lactation counselor. Additional BCBSMA providers may offer Lactation Counseling services, but they have not notified us. Please refer to our online provider directory to verify whether these or other providers participate with your BCBSMA plan. Please check your benefit documents to see if your plan covers lactation counseling services.

We also cover lactation counseling performed by an International Board Certified Lactation Consultant (IBCLC). You may visit [uslca.org/resources/find-an-ibclc/](http://uslca.org/resources/find-an-ibclc/) to search for a certified lactation counselor in your area. If you have any questions, call Member Services at the number on the front of your ID card. Please note that BCBSMA providers will submit claims for the services. If you choose an IBCLC, you will need to pay up-front and submit a claim for reimbursement. You can find a reimbursement form [HERE](#).
