PERSONAL SPENDING ACCOUNT CHANGES IN BLUESENROLL

Effective May 10, 2021, you'll see changes in BluesEnroll for personal spending accounts (PSAs). If you offer a Health Spending Account (HSA) only, most of these changes won't impact you. If you currently offer a Dependent Care Flexible Spending Account (DCFSA) or Flexible Spending Account (FSA), you'll need to follow these directions when electing coverage going forward.

ACCOUNTS THAT ARE AFFECTED

The changes and workflow below will only apply to accounts using HealthEquity®, an independent company that administers PSAs on behalf of Blue Cross Blue Shield of Massachusetts, as a financial vendor.

OVERVIEW OF CHANGES

1 Prior to these changes, when an employee was declining medical or dental coverage but wanted to enroll in a DCFSA or FSA, you needed to enroll them in a Standalone plan. It would come up under the medical benefits like this:

Medical Accepted

Plan

*Select A Plan Offered By Blue Cross Blue Shield of Massachusetts

Standalone Financial Services Plan(s)®

HMO Blue NE \$2000 Deductible®

Preferred Blue PPO \$2000 Deductible®

Decline Coverage

Decline coverage for this person

The Standalone plan will no longer be an option, so you won't see this screen. See directions in the workflow below on how to decline medical and dental, but elect a PSA.

2 Next, your group numbers could look different in the Benefit Details tab, depending on what coverages you elect or decline. Previously, you'd see a group number next to medical or dental if you elected or declined a coverage. Now, if you decline a coverage, the group number will default to 000000000.

3 The last change is on the main overview screen under Benefit Participation. The drop down used to have your anniversary date listed as your participation period. Now, it's the date that we made the changes. This has no impact to coverage. It will show your anniversary date at the next renewal period.

Benefit Participation

04/01/2020 - 03/31/2021

Medical

Example: If your anniversary date is April 1, you'd previously see "4/1/20-3/31/2021" as your participation period. This could now change to "5/6/2021," the date we made the changes.
