# PEDIATRIC ESSENTIAL DENTAL BENEFITS

## Your Benefits

The dental benefits your plan covers are subject to the calendar-year deductible and coinsurance (if applicable), and out-of-pocket maximum amounts shown below. The calendar year begins on January 1 and ends on December 31 of each year. The chart below shows the percentage of costs your plan will pay for covered dental services. Many covered services have specific time limits.

## Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most you could pay during a calendar year for deductible and coinsurance for covered services in this portion of the plan. The out-of-pocket maximum is **\$350** per member (or **\$700** for two or more members). Costs that do not count towards your out-of-pocket maximum are premiums, any balance-billed charges, all dental services for members who are not eligible for pediatric essential dental benefits, and all services that this policy does not cover.

## When Coverage Begins

You are covered, without a waiting period, from the date you enroll in the plan. Dental benefits in this portion of the plan are provided for members until the end of the calendar month in which they turn age 19.

## Orthodontic Benefits

Orthodontic benefits are available on or after your effective date. Coverage is only provided for medically necessary orthodontic care and requires prior authorization before services are provided. Orthodontic benefits are calculated using the allowed charge for the orthodontic procedure. You may be responsible for the coinsurance, and any difference between the Blue Cross Blue Shield payment and the dentist's actual charge. Please see your plan description (and riders, if any) for exact coverage details.

# DENTAL BENEFITS FOR MEMBERS AGE 19 AND OLDER

## Your Benefits

The dental benefits your plan covers are subject to the calendar-year deductible and coinsurance (if applicable), and benefit maximum amounts shown below. The calendar year begins on January 1 and ends on December 31 of each year. The chart below shows the percentage of costs your plan will pay for covered dental services. Many covered services have specific time limits.

## Your Benefit Maximum

Your benefit maximum is the most your plan will pay for covered services during a calendar year in this portion of the plan. Once your plan has paid the benefit maximum of **\$1,500** per member, no additional dental benefits will be provided during that calendar year. When this happens, you must pay the allowed charge for any services you receive for the rest of the calendar year.

## When Coverage Begins

You are covered, without a waiting period, from the date you enroll in the plan. Dental benefits in this portion of the plan are provided for members who are age 19 and older and who are not eligible for pediatric essential dental benefits.

## Accumulated Maximum Rollover Benefits

This portion of the dental plan includes an Accumulated Maximum Rollover Benefit. This rollover benefit allows you to roll over a certain dollar amount of your unused annual dental benefits for use in the future. There are limits and restrictions on this benefit. Refer to the Accumulated Dental Maximum Rollover brochure for further information.

# WELCOME TO DENTAL BLUE,

## A COMPREHENSIVE DENTAL PLAN PROVIDING BROAD NETWORK ACCESS TO MEET YOUR DENTAL CARE NEEDS.

### Your Dentist

Dental Blue offers an extensive network of dentists. Over 90 percent of dentists in Massachusetts and Rhode Island participate with Blue Cross Blue Shield of Massachusetts. Dental Blue members also have access to participating dentists nationwide.

If you would like help choosing a dentist, or already have a dentist and want to know if they participate with your plan, you can call the dentist, look at the current dental provider directory, or call Member Service at the toll-free phone number shown on your Dental Blue ID card. You can also access the online dental provider directory at [bluecrossma.org](http://bluecrossma.org).

### Pre-Treatment Estimates and Prior Authorizations

If your dentist expects that your treatment will involve covered services that will cost more than \$250, Blue Cross Blue Shield recommends that your dentist send a copy of the "treatment plan" to Blue Cross Blue Shield before services are provided. A treatment plan is a detailed description of the procedures that the dentist plans to perform and includes an estimate of the charge for each service.

Once the treatment plan is reviewed, you and your dentist will be notified of the benefits available.

If your dentist has determined you will need a service that requires prior authorization, they must request approval for those services to be covered before services are provided. Prior authorization services that are done without obtaining approval may not be covered.

You will be responsible for all charges for services that are not approved or are done without prior authorization.

### Multi-Stage Procedures

Your dental plan provides benefits for multi-stage procedures (procedures that require more than one visit, such as crowns, dentures, and root canals) as long as you are enrolled in the plan on the date that the multi-stage procedure is completed. A participating dentist will send a claim for a multi-stage procedure to Blue Cross Blue Shield only after the completion date of the procedure.

You will be responsible for all charges for multi-stage procedures if your plan has been cancelled before the completion date of the procedure.

### Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your plan description (and riders, if any) for exact coverage details.

### Enhanced Dental Benefits

Enhanced Dental Benefits for certain dental care services are available for members who have been diagnosed with qualifying conditions. To learn more about specific conditions included in this benefit, review your plan description (and riders, if any) on MyBlue at [bluecrossma.org](http://bluecrossma.org).

### How Dentists Are Paid – Participating Dentists

Dentists that participate with Blue Cross Blue Shield of Massachusetts, Blue Cross Blue Shield of Rhode Island, or participating out-of-area dentists accept the lesser of either the dentist's actual charge or the allowed charge as payment in full for covered services. You pay only your deductible and coinsurance (if applicable), and any allowed charges beyond your calendar-year benefit maximum.

In Massachusetts, benefits are usually only provided when covered services are received from a participating dentist. The exceptions are described in your plan description.

### How Dentists Are Paid – Non-participating Dentists Outside of Massachusetts

Benefits for covered services by a non-participating dentist outside of Massachusetts are provided based on the dentist's actual charge or the allowed charge, whichever is less. The allowed charge is based on a schedule of charges. You may be responsible for any difference between the dentist's actual charge or the allowed charge, whichever is less. You are also responsible for your deductible and coinsurance (if applicable), and charges beyond your calendar-year benefit maximum.

### Supplemental Coverage – Non-participating Dentists Inside of Massachusetts

Your plan includes supplemental coverage to provide benefits for covered services received in Massachusetts from non-participating dentists. You may be responsible for the deductible and coinsurance (if applicable), any difference between the maximum allowance and the dentist's actual charge, and all charges beyond your calendar-year benefit maximum. See your plan sponsor for details and claim filing information.

### If You Have to File a Claim

Participating dentists will send claims directly to Blue Cross Blue Shield. All you have to do is show them your Dental Blue ID card. The payment will be sent directly to your dentist when claims are received within one year of the completed service.

If you receive care from a non-participating dentist, you may have to submit the claim yourself. Before submitting your claim, get an Attending Dentist's Statement form from Member Service. After your dentist fills out the form, send it and your original itemized bills to Blue Cross Blue Shield of Massachusetts, P. O. Box 986030, Boston, MA 02298. All member-submitted claims must be submitted within two years of the date of service.

If you have a grievance, see your plan description for instructions on how to file a grievance.

### Other Information

Coordination of benefits applies to plan members who are covered by another plan for health care expenses. Coordination of benefits ensures that payments from other insurance or health care plans do not exceed the total charges billed for covered services.

Your plan description has a subrogation clause, which means that Blue Cross Blue Shield can recover payments if a member has already been paid for the same claim by a third party.

## QUESTIONS?

# DENTAL BLUE<sup>®</sup> ACCUMULATED MAXIMUM ROLLOVER

At Blue Cross Blue Shield of Massachusetts, we know that oral health is a critical part of overall health. That's why we offer a dental benefit that will allow you to roll over a portion of your unused dental benefits from year to year.

## HOW MAXIMUM ROLLOVER WORKS

Beginning 60 days after the last day of your benefit period, your rollover amount will be added to your maximum benefit amount, increasing it for you to use that year and beyond (see below for amounts and maximums).

There is no cost to you. You don't need to do anything. To figure out the amount of benefit dollars that are eligible to roll over, just use the chart below. Start by searching for your benefit period maximum in the first column. If Blue Cross

doesn't pay out more claims dollars on your behalf than the amount in the second column, your benefit maximum for the next year will increase by the amount in the third column.

And, your rollover amount keeps growing and is available for you to use as long as your employer offers this rollover benefit.\* The last column will show you the total amount of additional benefit dollars you can earn. It's one more way we're working to improve health care for all our members.

You can accumulate benefit dollars to help offset higher out-of-pocket costs for complex procedures.

This benefit applies to you automatically if:

- You receive at least one service during the benefit period
- You remain a member of the plan throughout the benefit period
- You don't exceed the claim payment threshold in the benefit period

If your dental plan's annual maximum benefit amount is:	And if your total claims don't exceed this amount for the benefit period:*	We'll roll over this amount for you to use next year and beyond:*	However, rollover totals will be capped at this amount:*
\$500–\$749	\$200	\$150	\$500
\$750–\$999	\$300	\$200	\$500
\$1,000–\$1,249	\$500	\$350	\$1,000
\$1,250–\$1,499	\$600	\$450	\$1,250
\$1,500–\$1,999	\$700	\$500	\$1,250
\$2,000–\$2,499	\$800	\$600	\$1,500
\$2,500–\$2,999	\$900	\$700	\$1,500
\$3,000 or more	\$1,000	\$750	\$1,500

\*This is not a flexible spending account (FSA). The amount reflects your benefit maximum for a given year.
