SAVE TIME AND MONEY WITH MAINTENANCE CHOICE EXCLUSIVE

Maintenance Choice Exclusive saves you 33% on the cost of your maintenance medications,¹ also known as long-term medications, when you switch to a 90-day supply, and fill your prescriptions at a CVS Pharmacy® retail location, or through the mail service pharmacy.

SWITCHING TO 90-DAY SUPPLIES BRINGS BENEFITS

Pay 33% less for 90-day supplies of most maintenance medications.

Convenience of filling medications at any of the 9,000+ CVS retail pharmacies.

No additional cost for standard delivery through the mail service pharmacy.

Fewer trips to the pharmacy, or none at all.

WHAT HAPPENS IF I DON'T SWITCH?

Switching is required if you want to be covered by your plan. **If you don't switch your maintenance medications to a 90-day supply by your third fill, you'll be responsible for paying the full cost of eligible medications.** While you make the transition, we'll provide coverage for two 30-day fills at a retail pharmacy. Just pay your regular copay.

1. In most cases for eligible maintenance medications. Check your plan materials for more details about your plan design. Blue Cross Blue Shield of Massachusetts is an Independent Licensee of the Blue Cross and Blue Shield Association.
