

Southcoast Health System is Earning Significant Profits

DATA SUBMITTED TO THE STATE'S CENTER FOR HEALTH INFORMATION AND ANALYSIS (CHIA) AND THE HEALTH POLICY COMMISSION (HPC) SHOWS THAT:

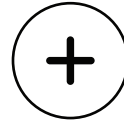

In 2018, earned a profit of 32% when caring for commercially-insured patients, including BCBSMA members

In 2018, earned an overall profit margin that was roughly double the median of all Massachusetts hospitals

Posted a profit in each of the past five years

Generated surpluses of nearly \$200m over the past three years
